PERMIT REVIEW COMMITTEE

Summary of projects and staff recommendations, December 5, 2019

DRAFT

1. 433 W. Van Buren

25th Ward

Old Main Chicago Post Office

Proposed new canopy at west elevation with one new sign.

Applicant: Eric Friedman, Walgreens Co.
Donna Becco-Schroeder, architect

Staff Recommendation: Staff recommends that the Committee find that the project, with the following conditions, meets the criteria set forth in the Commission's Rules and Regulations, the Commission's *Guidelines for Alterations to Historic Buildings and New Construction*, and Standards 9 and 10 of the *U.S. Secretary of the Interior's Standards for Rehabilitation of Historic Buildings* and therefore, the project will not have an adverse effect on the significant historical and architectural features of the landmark property and approve the project with the following conditions:

1. The new canopy is approved as shown on drawings dated November 14, 2019; and,
2. The proposed branded Walgreens canopy sign is approved.

2. 969 W. 18th Street

25th Ward

Proposed Pilsen Historic District

Proposed new construction of four-story, three-unit, masonry, mixed-use building.

Applicant: Sean Sirkin, owner
John Hanna, architect

Staff Recommendation: Staff recommends that the Committee find that the project, with the following conditions, meets the criteria set forth in the Commission's Rules and Regulations and the Commission's *Guidelines for Alterations to Historic Buildings and New Construction* therefore, the project will not have an adverse effect on the significant historical and architectural features of the proposed landmark district and approve the project with the following conditions:

1. As proposed, the front façade shall be clad in red, standard size, modular, face brick with mortar matching the color of the brick. Due to their visibility, the side elevations shall be clad in either face brick to match the front façade or common brick. Historic Preservation staff shall review and approve all material samples with the permit application;

2. As proposed, brick corbeling details to be included on permit plans;
3. Enlarged dimensioned details of the new windows and storefronts shall be included with the permit plans. As proposed, window and storefront frames and mullions shall be dark bronze in color and the glazing shall be clear glass; and,
4. The project as proposed requires a zoning variation and/or adjustment, and the Commission takes no position regarding any requested variance/adjustment relative to the zoning code requirements.

3. 951 W. Fulton Market

27th Ward

Fulton-Randolph Market District

Proposed installation of 3 projecting canvas awnings on the west elevation and installation of 3 combination steel awnings with extendable canvas awnings on the north elevation.

Applicant: Stephen Bernacki, The Alinea Group, owner
Steven Rugo, Rugo/Raff LTD. Architects

Staff Recommendation: Staff recommends that:

- A. The Committee find that the project, with the following conditions, meets the criteria set forth in the Commission's Rules and Regulations, the Commission's *Guidelines for Alterations to Historic Buildings and New Construction*, the Commission's *Guidelines for Alterations to Historic Buildings and New Construction*, and *Historic Fulton-Randolph Market District Design Guidelines* and Standards 9 and 10 of the *U.S. Secretary of the Interior's Standards for Rehabilitation of Historic Buildings* and therefore, the project will not have an adverse effect on the significant historical and architectural features of the landmark property and district and approve the project with the following conditions:
 3. The three triangular canvas awnings on the west elevation shall be modified to be open ended with free-hanging valences. All dimensions and attachment details shall be submitted with the permit plans; and,
 4. The proposed combination steel canopies and extendable awnings on the north elevation are not compatible with traditional shapes, forms and materials and shall be revised to either standard canvas awnings to match those on the west elevation or a fixed projecting canopy, subject to staff review and approval.
- B. Alternatively, should the Committee find that the proposed canopy/awning structures on the north elevation are a contemporary interpretation of historic canopies and would not have an adverse effect on the historic industrial character of the

district, the Committee may approve the structures as proposed with the following conditions:

1. The three triangular canvas awnings on the west elevation shall be modified to be open ended with free-hanging valences. All dimensions and attachment details shall be submitted with the permit plans; and,
2. The three steel canopies with extendable canvas awnings are approved as submitted. All dimensions and attachment details shall be submitted with the permit plans.

4. 910 W. Randolph

27th Ward

Fulton-Randolph Market District

Proposed replacement of existing non-historic façade with new façade, storefronts, and windows.

Applicant: Edwin M. Vdovets, Keeler Real Estate, LLC
Scott Becker, Partners by Design, Inc., architect

Staff Recommendation: Staff recommends that the Committee find that:

- (A) The subject property is a non-contributing building to the Fulton-Randolph Market District; and,
- (B) The project, with the following conditions, meets the criteria set forth in the Commission's Rules and Regulations, the Commission's *Guidelines for Alterations to Historic Buildings and New Construction*, and therefore, the project will not have an adverse effect on the significant historical and architectural features of the landmark district and approve the project with the following conditions:
 1. All window and storefront details shall be reviewed and approved with the permit plans;
 2. New brick shall be compatible with the color and texture of historic brick remaining, per staff review and approval of material samples prior to permit submittal; and,
 3. All glass shall be clear vision, and the windows and storefronts shall have a dark, factory-applied finish.
